

# ThreePointer™

## WATER CONDITIONING AGENT HUMECTANT

	% BY WT.
<b>PRINCIPAL FUNCTIONING AGENTS</b> .....	56.4%
Alcohol ethoxylated phosphate ester; Amines, tallow alkyl, ethoxylated; Citric acid	
<b>CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS</b> .....	43.6%
<b>TOTAL</b> .....	100.0%

**KEEP OUT OF REACH OF CHILDREN**

### WARNING

Causes eye and skin irritation. Harmful if inhaled.

### PRECAUTIONARY STATEMENTS

Wear protective gloves. Avoid breathing vapors. Use only outdoors in a well-ventilated area. Wash thoroughly after handling.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"><li>• Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.</li><li>• If eye irritation persists: Get medical attention.</li></ul>
If on skin:	<ul style="list-style-type: none"><li>• Wash with plenty of water.</li><li>• If skin irritation occurs: Get medical attention.</li><li>• Take off contaminated clothing and wash it before reuse.</li></ul>
If inhaled:	<ul style="list-style-type: none"><li>• Remove person to fresh air and keep comfortable for breathing.</li><li>• Call a doctor if you feel unwell.</li></ul>
<b>Have the product container with you when calling a poison control center or doctor or going for treatment.</b>	

### PRODUCT INFORMATION

When added to a spray program, ThreePointer™ can enhance the performance of the pesticide application where both a water conditioner and surfactant are necessary. Wetting and deposition of the pesticide are increased, resulting in a more uniform spray deposit. This product is particularly effective with many post-emergence herbicides such as glyphosate, increasing the degree and rate at which these herbicides are absorbed by the plant tissue. Not for aquatic use.

## DIRECTIONS FOR USE

Rates of ThreePointer may vary with conditions of application. In most circumstances, the below use rates should suffice. Depending on the soil type and pesticide used, a higher or lower rate may be required for best results. Always follow the adjuvant use recommendations as shown on the pesticide label. However, DO NOT add this product at a rate which exceeds 5% of the finished spray volume.

Always provide good agitation when adding this product to the spray mixture.

ThreePointer may be applied by ground, aerial and any other type of spray equipment recommended by the manufacturer's pesticide label.

**GENERAL:** Use 2-8 pints per 100 gallons of spray mixture for both water conditioning and herbicide activation. Use the higher rates when hard water conditions exist.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container only and keep tightly closed. Store locked up in closed storage areas. Store in a well-ventilated place. Use caution when moving, opening, closing or pouring.

**PRODUCT DISPOSAL:** Dispose of contents in accordance with all government regulations. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER HANDLING:** Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available, or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill, or by other procedures approved by state and local authorities. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org).

### LIMITATION OF WARRANTY AND LIABILITY

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND SELLER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THIS PRODUCT; SELLER SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The limited warranty set forth herein does not apply to, and Buyer accepts all risk arising from, the storage, handling or use of this product contrary to label instructions or under abnormal conditions or conditions not reasonably foreseeable to (or beyond the control of) Seller. To the extent permitted by law, Seller shall not be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF BUYER, AND THE EXCLUSIVE LIABILITY OF SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF SELLER, THE REPLACEMENT OF THE PRODUCT.
